Reasons For Allowance

Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-25 are allowed because the prior art of record including **Kirlin, Loeffler, Lowder, Gillen et al, Gohl et al, and Hanson**, singly or in combination failed to teach or suggest all the features as presented in independent claims, including a detachably securable vacuum sealable mechanism engaging the transparent structure's surface, a lighting mechanism in electrical communication with the detachably securable vacuum sealable mechanism, the lighting mechanism engaging the transparent structure's surface via a sealing mechanism, and said lighting mechanism projecting the light beam through the transparent structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
